

Soldier

HAND TOOLS

ABOUT US...

Soldier is a name to reckon with when it comes to superior quality Hand Tools. Driven by futuristic vision, we are continuously investing our resources in Research & Development, High end technologies and compatible human resources to develop more efficient Hand Tools that meet tomorrow's needs of the users.

We follow the principle of Total Quality Management in all our processes. Our stringent quality control practices come into play at the very beginning of manufacturing processes. Quality of products is assured through the effective monitoring and rigorous testing.

All our tools are as per International quality standards and we also offer customized packaging solutions depending upon the specifications of our clients.

We continue to offer vital services to our esteemed customers with superiority in products & services at competitive prices. The appreciation we receive from our valued customers encourages and drives us towards continuous up-gradation in our systems for maximum customer satisfaction.

INDEX

SPANNERS	4-13
